PEDRALI
THE ITALIAN ESSENCE

Nolita

Vintage chic

DESIGN
CMP Design, 2015

EN — Nolita is a family of outdoor seatings which recalls the origins of a historic course, started by Mario Pedrali in 1963 with his first metal garden chairs. The collection seems to arise from the memories of a sunny and lively square, a timeless place, giving birth to simple and iconic shapes.

IT — Nolita è una famiglia di sedute da esterni che rievoca le origini di un percorso storico, iniziato da Mario Pedrali nel 1963 con le sue prime sedie da giardino in metallo. La collezione sembra scaturire da ricordi in trasparenza, un'atmosfera senza tempo da piazza assolata e vivace, per un risultato di solida durevolezza in forme semplici ed iconiche.

Malmö

Nordic essence

DESIGN

CMP Design, 2012

EN — Malmö chairs are designed to fit in convivial spaces and they evoke warmth sensations thanks to the touch of ash wood, the tapered look and the appeal of tradition. Malmö collection consists of a plywood shell in ash wood that appears suspended, nearly floating, on a solid wood frame. The design elements appear in their purity, thicker in the joints and tapered in a natural way to offer lightness and elegance.

IT — Le sedute Malmö, pensate per essere usate in luoghi di convivialità, esprimono un tepore domestico grazie al piacere tattile del frassino, l'espressività delle forme tornite, l'affinità con un immaginario tradizionale. La collezione Malmö è costituita da una scocca in multistrato di frassino che appare sospesa, quasi fluttuante, su un telaio in legno massello. Gli elementi strutturali appaiono nella loro pura costruzione, aumentando di spessore presso le connessioni ed affusolandosi in modo naturale a favorire leggerezza ed eleganza.

Ideogram chair

DESIGN
CMP Design, 2015

EN — Osaka is a collection of seatings with a strong graphic impact whose construction elements remind the linear features of an ideogram. Besides the ash wood version, those with metal frame emphasize their functionality conferring a high degree of lightness.

IT — Osaka è una collezione di sedute dal forte impatto grafico i cui elementi di costruzione appaiono nella loro purezza e semplicità formale, come i tratti lineari di un ideogramma. Accanto alle versioni in frassino quelle con telaio in metallo esaltano l'approccio funzionalista, donando un effetto visivo di estrema leggerezza.
