Kuadra

Less is more

DESIGN

Pedrali R&D, 2001

EN — A very simple shell becomes an icon: from the plywood type in oak veneered with horizontal veins, up to technopolymer and methacrylate materials, to end up with the upholstery version. An innovative backrest that offers comfort, the curved lumbar profile allows an ergonomic rest. Kuadra is multitasking by definition, available with tubular frame in square section laser-cut, refined and innovative, or in the traditional versions in tubular frame or sled base in steel rod.

IT — Una scocca semplice diventata iconica: dalla versione in multistrato impiallacciato in precomposto di rovere con venatura orizzontale, fino a quelle in tecnopolimero, metacrilato e imbottito. Uno schienale innovativo: dal profilo lombare curvato, che permette un appoggio ergonomico, e alto e confortevole. Multitasking per antonomasia, Kuadra è disponibile con struttura in tubo quadrato tagliato al laser, curata e innovativa, oppure nelle versioni più tradizionali in tubo e a slitta in tondino d'acciaio.
